ME

FINDING INNER PEACE TO SPREAD WORLD PEACE

TUESDAY 14th JUNE

12:00 – 14:00

VIENNA INTERNATIONAL CENTRE – ROOM M7

“Peace Begins with ME” is a World Peace Campaign to teach inner peace in order to achieve world peace. Founded by Mabel Katz, renowned inspirational speaker, author and seminar leader, the campaign is established on the ancient Hawaiian art of Ho'oponopono, a philosophy based on the cleansing of negative programming from the past.

Mabel will bring her message to the VIC, where every day thousands of people contribute with their work to the world peace and security.

*This event is supported by the Permanent Mission of the Republic of Costa Rica to the International Organizations in Vienna
